## CUSTOM WATERHOG® CARPET MATS

Impress visitors at your front door!

- Solid rubber nubs prevent carpet from crushing.
- Tough PET polyester fibers with nonslip backing.
- Waterjet cutting reproduces designs with precision. Designs are then inlaid into Waterhog® Mat.
- **19 colors available.** See full selection below.

Ideal for simple designs that do not have blending of colors, thin shapes or unique colors.

Can print text as small as 3" tall.

### ARTWORK RULES

Please avoid using the following:

- Vulgar, offensive, violent, obscene or suggestive language and images.
- Fine lines, CMYK colors or photographs.
