

MANUAL BEAR TOUGH CART

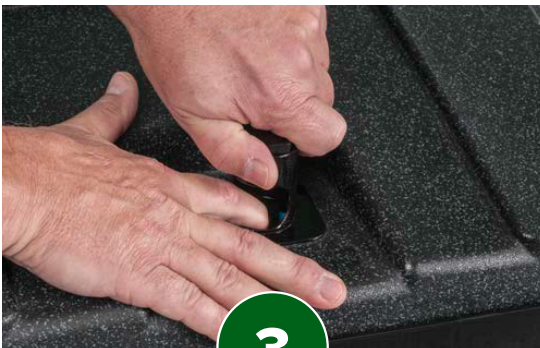

LID OPERATING INSTRUCTIONS

STEP 1 - Using one hand, insert finger into lock mechanism opening.

STEP 2 - Pull trigger (lock mechanism) back.

STEP 3 - Using the other hand, grip top piece of lock. Once the top is gripped and the trigger has been pulled, the lid may be lifted safely with one hand.

TO CLOSE LID - Press down on lid until the lock clicks.

TO OPEN LID (Two Hands Required)

CAUTION: Do NOT overfill cart - Lid must be closed and locked to keep bears out
