

# ULINE H-5703 GRIDWALL TRIANGLE TOWER

1-800-295-5510  
uline.com

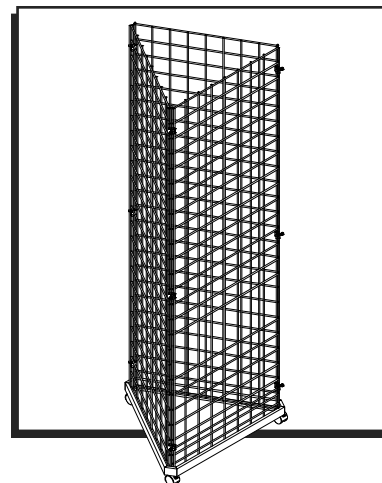

## TOOLS NEEDED

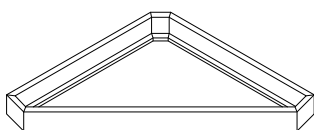

Phillips  
Screwdriver

Thin Open End Wrench  
(Included)

## PARTS

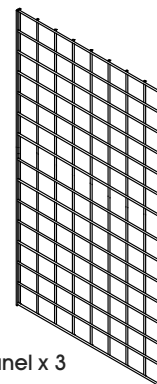

Triangle Base x 1

Caster x 3

Connector Clip  
with Screw x 9

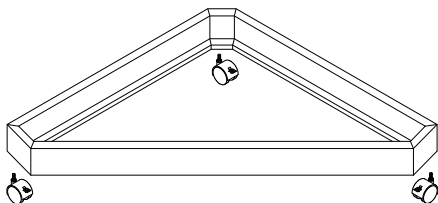

Gridwall Panel x 3

## ASSEMBLY

1. Thread casters into the bottom of the triangle base using the enclosed wrench. (See Figure 1)

Figure 1

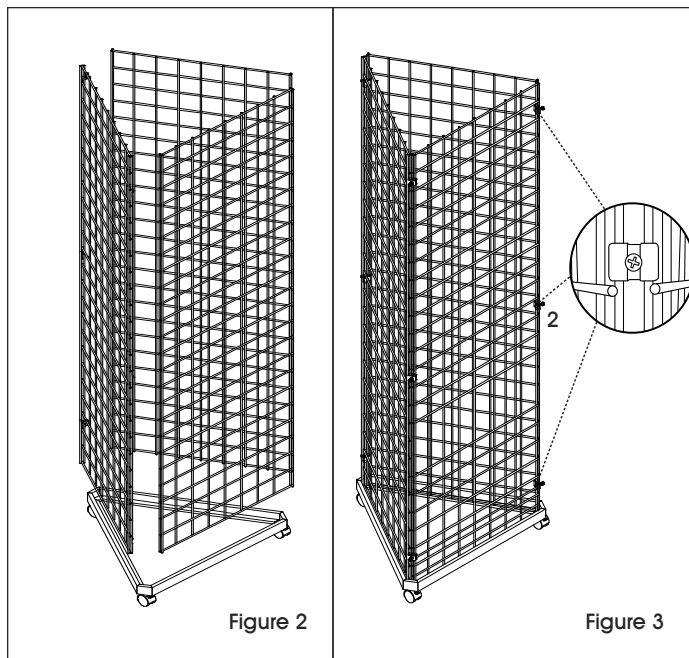

2. Set each of the three gridwall panels on the ledge of the inside of the triangle base. (See Figure 2)

**NOTE:** In order for accessories to hang correctly, each panel should have the side with the horizontal bars facing out and vertical bars facing in.

3. Connect the gridwall panels together by using three connector clips per corner at the top, middle and bottom. Tighten screws to secure the end bars of panels in between each side of the connector clips. (See Figure 3)

# TORRE TRIANGULAR DE REJILLA

800-295-5510

uline.mx

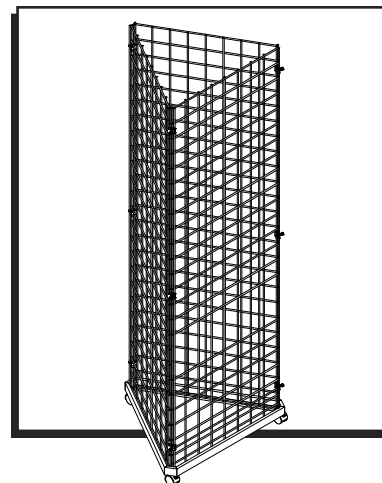

## HERRAMIENTA NECESARIA

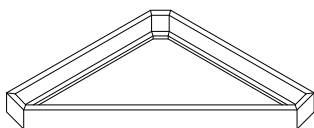

Desarmador de Cruz

Llave Plana de Extremo Abierto (Incluida)

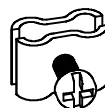

## PARTES

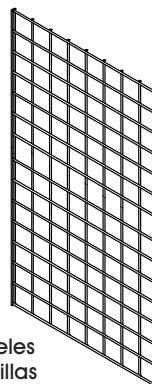

1 Base Triangular

3 Ruedas

9 Clips Conectores con Tornillo

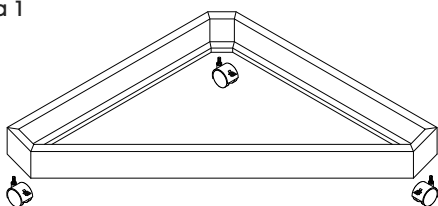

3 Paneles de Rejillas

## ENSAMBLE

1. Inserte las ruedas en la parte interior de la base triangular utilizando la llave incluida. (Vea Diagrama 1)

Diagrama 1

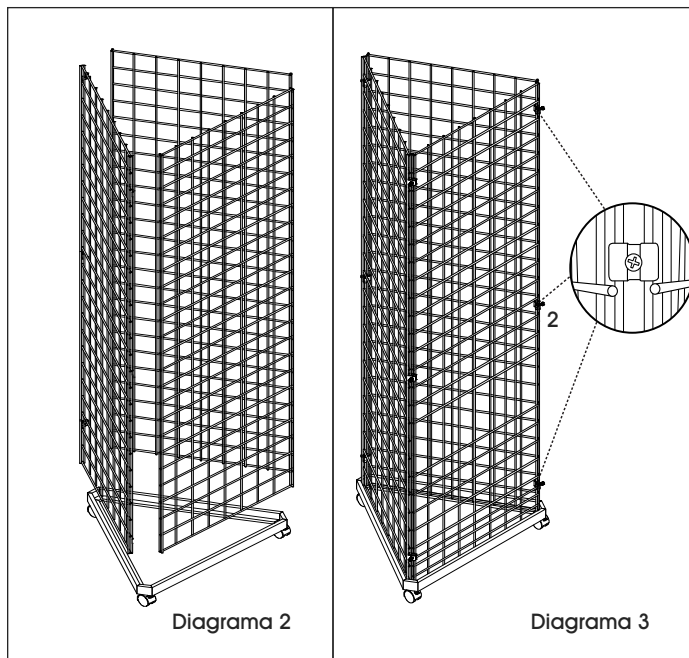

2. Coloque cada uno de los paneles de rejilla en el borde interior de la base triangular. (Vea Diagrama 2)

**NOTA:** Para que los accesorios cuelguen correctamente, cada panel debe tener el lado del las barras horizontales volteando hacia afuera y las verticales hacia adentro.

3. Una los paneles de rejillas utilizando tres clips conectores por cada esquina en la parte superior, media e inferior. (Vea Diagrama 3)

## TOUR TRIANGULAIRE GRILLAGÉE

1-800-295-5510  
uline.ca

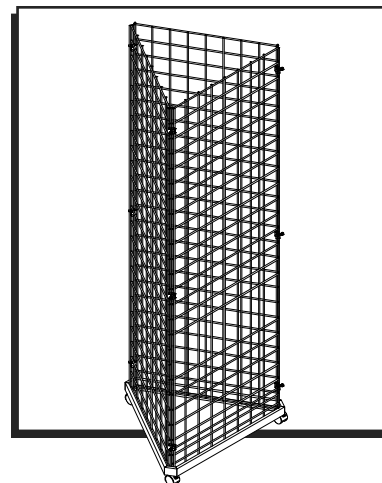

### OUTIL REQUIS

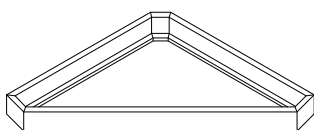

Tournevis  
cruciforme

Clé fine à fourche  
(fournie)

### PIÈCES

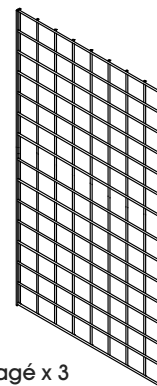

Base triangulaire x 1

Roulette x 3

Connecteur pour  
panneau grillagé  
avec vis x 9

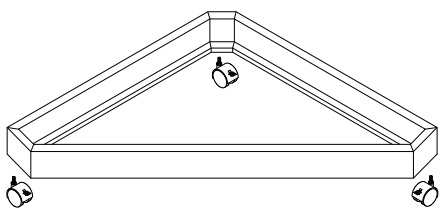

Panneau grillagé x 3

### MONTAGE

1. Vissez la tige de chaque roulette dans le bas de la base triangulaire à l'aide de la clé fournie. (Voir Figure 1)

Figure 1

2. Positionnez les trois panneaux grillagés sur le rebord intérieur de la base triangulaire. (Voir Figure 2)

**REMARQUE :** Vérifiez que les barres horizontales des panneaux grillagés sont orientées vers l'extérieur et que les barres verticales sont orientées vers l'intérieur afin de vous assurer que les accessoires peuvent y être accrochés correctement.

3. Raccordez les panneaux grillagés à l'aide de trois connecteurs par coin. Installez-les en haut, au milieu, et en bas de chaque coin. Serrez les vis pour fixer les barres latérales dans les fentes de chaque côté des connecteurs. (Voir Figure 3)
