QUICK LIFT LASER LABELS

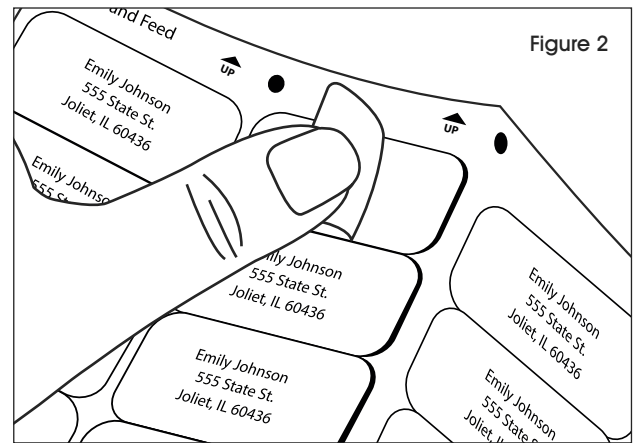

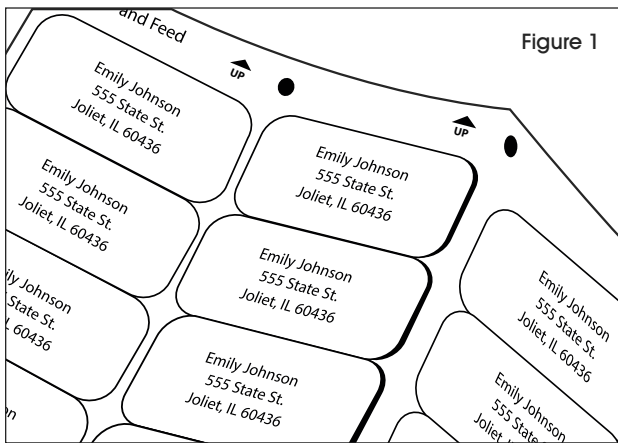

INSTRUCTIONS

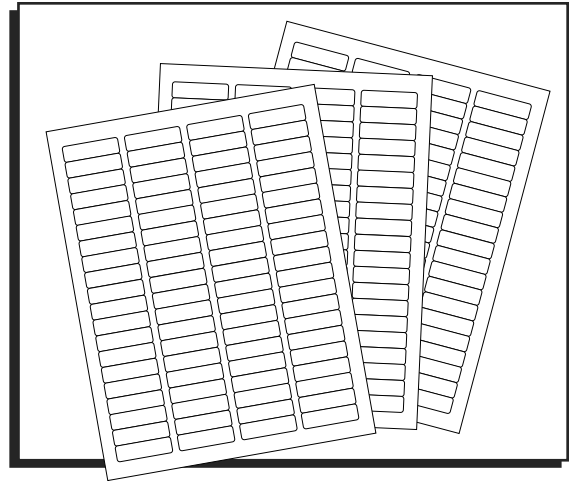

1. Feed the label sheet with "Righthand Feed" forward.

NOTE: For left-handed use, feed the label sheet with "Lefthand Feed" forward.

2. After printing the labels, bend sheet to expose tab and peel. (See Figures 1-2)
3. Apply label to desired surface.
4. Flatten sheet when finished.

ÉTIQUETTES ADHÉSIVES LASER FACILES À DÉCOLLER

INSTRUCTIONS

1. Chargez la feuille d'étiquettes dans le bac d'alimentation de l'imprimante, avec l'inscription « Righthand Feed » orientée vers le haut.

REMARQUE : Pour les gauchers, chargez la feuille d'étiquettes dans le bac d'alimentation de l'imprimante, avec l'inscription « Lefthand Feed » orientée vers le haut.

2. Après l'impression des étiquettes, pliez la feuille pour exposer le coin de l'étiquette et la décoller. (Voir Figures 1 et 2)
3. Appliquez sur la surface désirée.
4. Dépliez la feuille lorsque vous avez terminé.
