DIVIDER BOXES

SHORT AND LONG DIVIDERS

1-800-295-5510
uline.com

INSTRUCTIONS

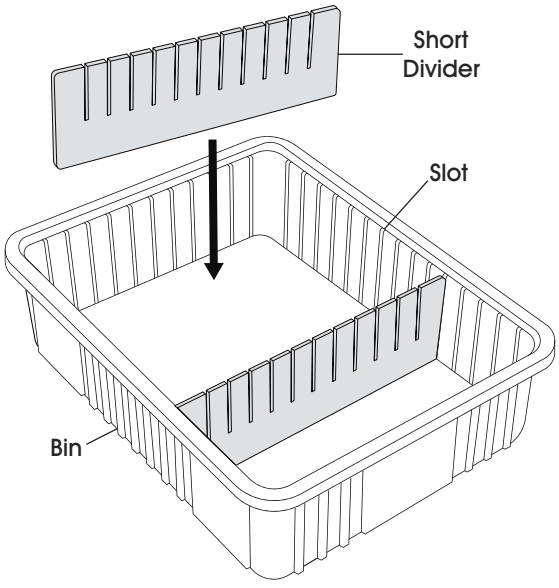

NOTE: Short and long dividers sold separately. Long dividers may bow if using one or no short dividers.

NOTE: Insert dividers perpendicular to the length or width of the box.

1. Insert short dividers into slots in bin at desired locations. (See Figure 1)

NOTE: Ensure dividers are inserted into corresponding slots on each end of the bin.

Figure 1

2. Insert long dividers into slots in bin and short dividers at desired locations. (See Figure 2)
