PLASTIC WINE SHIPPERS – 2 BOTTLE PACK

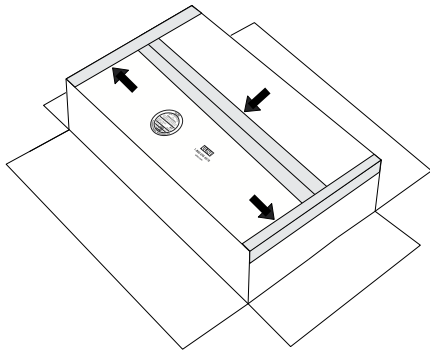

1-800-295-5510
uline.com

ASSEMBLY

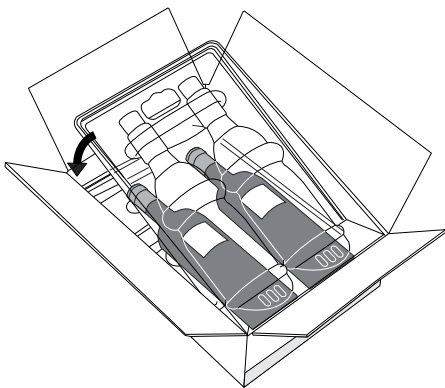

1. Fold flaps on bottom of carton and seal down the center seam with 3" wide tape. Apply an additional strip of tape on each end of the box to make an "H" pattern. (See Figure 1)

Figure 1

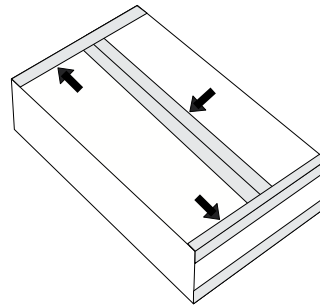

2. Fold the clamshell tray into the box and insert two wine bottles into the accommodating molds. (See Figure 2)

Figure 2

3. Fold flaps on top of carton and seal down the center seam with 3" wide tape. Apply an additional strip of tape on each end of the box to make an "H" pattern. (See Figure 3)
