Neutral Floor Cleaner Citrus Concentrate

Floor Science® Neutral Floor Cleaner Citrus Concentrate is formulated for everyday cleaning of floors and other hard surfaces. This product does not dull floor finishes and does not require rinsing to deliver labor savings. Use the complete Floor Science system to create and maintain a consistently brilliant shine on floors with minimal time and effort.

Features & Benefits

- Cleans effectively to prolong stripping cycles, saving time and labor
- Deep cleans without rinsing
- Leaves no dulling film or residue
- Concentrated for economical cleaning
- Use for daily or periodic, deep cleaning
- One gallon makes up to 129 gal. (488 L)

Applications

- For use with conventional, high speed or ultra high speed maintenance programs

Use instructions

NOTE: Dilute with cool water to avoid damaging floor finish. Floor Science[®] Neutral Cleaner Citrus Concentrate should only be used on Floor Science[®] finish. Position wet-floor signs around area to be cleaned.

MACHINE CLEANING

1. DILUTIONS: Dilute Floor Science[®] cleaner 1 oz./per U.S. gal. (1:128) of cool water for daily scrubbing. Dilute 2 oz./per U.S. gal. (1:64) of cool water for deep scrubbing before recoating.
2. SCRUBBING:
 - Scrub with red pad daily.
 - Double scrub with green/blue pad before recoating or restoring.
3. Trail mop behind machine at turns, edges and low spots in the floor to pick up cleaning solution left behind.
4. Allow floor to dry thoroughly. No rinsing is required unless recoating.

MOP AND BUCKET CLEANING

1. DILUTION: Dilute 1:64 (2 ounces of concentrate per gallon of water) for normal soil. Dilute 1:32 (4 ounces of concentrate per gallon of cold water) for heavy soil.
2. APPLICATION:
 - Apply Floor Science[®] cleaner to floor being cleaned.
3. Pick-up soil and excess cleaner with a tightly wrung-out cleaning mop.
4. Allow floor to dry thoroughly. No rinsing is required unless recoating.

NOTE: Floor will be slippery when wet or contaminated with foreign materials. Promptly clean up spills and foreign materials.
