

**SECTION I: CERTIFICATION**

**Design Qualification of Nefab 2-3378**

TEN-E Packaging Services, Inc. is a current DOT UN Third-Party Certification Agency under §107.403 and certifies that the Nefab Canada packaging referenced above has passed the standards of Transport Canada Standard TP14850, Small Containers for Transport of Dangerous Goods, Classes 3,4,5,6,1,8 and 9. This package is also certified under US DOT Title 49 CFR, IMDG and the UN Recommendations on the Transport of Dangerous Goods. It is the responsibility of the end user to determine authorization for use under these regulations. The use of other packaging methods or components other than those documented in this report may render this certification invalid.
